Parent Handbook 2022-2023

Resurrection Catholic Parish School

Dear Parents,

Welcome to the 2022-2023 school year at Resurrection Catholic Parish School. The administration, teachers and staff are honored that you, the primary educators of your children, have chosen us to share this awesome responsibility with us. We respectfully enter into this collaborative ministry with you to educate, form, challenge, and inspire your children to be the very best of God's creation.

We believe that the integration of faith and culture assist us in helping each student grow in wisdom and grace from his/her education. We are dedicated to living our Catholic faith, taking an equitable view, working with individuals, mining the rich treasury of our faith, and working for justice for all - for the education and formation of all students.

As parents, you are important members of our RCPS community. Parents play a vital role in the education of their children and we want to coordinate our efforts with you so we work for the same goal. I believe that you will find the more you participate in the life, work, and worship of our community, the more meaningful your experience will be with us. For our veteran parents we ask that you reach out to our new parents/families and show them what it means to be a member of Resurrection. You can take pride in what you have helped us build.

At RCPS, we believe our community brings us together in interdependent relationships that challenge us to collaborate for the benefit of all children. We extend an open invitation to you to become meaningfully involved in our school and parish community. Through all the events, challenges and triumphs that go on during the school year we must always remember the reason this school exists, Jesus Christ. He is the model for all of us, so we will continuously put Christ at the center of all that we do. Thank you for joining us for this journey through the 2022 - 2023 school year.

Once again, welcome to the school year. Please contact me, your principal, if I can help you. I am confident that our work together will be a grace from our generous God.

Peace and Blessings,

Mission Statement

Resurrection Catholic Parish School (RCPS) accepts that each child is a unique creation of God. We promote a partnership among parents, faculty, staff and the community rooted in the Catholic Faith. Our mission is to be a primary school of excellence in which children are empowered with active and creative minds, a sense of understanding, compassion for others, and the courage to act on their beliefs.

RCPS provides children with the knowledge to develop their spiritual and academic life with the Catholic Church as their guide. Hand in hand with Jesus, we serve, we learn, we respect, we teach, and we grow.

Vision Statement

Resurrection Catholic Parish School exists to provide a Christ-centered academic environment designed to promote the total development of the child by serving the mission of the Roman Catholic Church through the educational process. This is accomplished by joining in community as a ministry of Resurrection Parish to educate in the formation of faith and family; to provide a quality academic foundation; to unite in a nurturing and loving Catholic community through worship, through academic formation, through the promotion of peace and justice, through adaptation to change and diversity, through service, and through recognition of the value and dignity of each individual.

Our Philosophy

Resurrection Catholic Parish School values each student as a child of God, loved and called to friendship with Him. We strive to provide for the continued formation of the Christian person in a unique environment in which students, teachers, and parents experience the presence and divine guidance of the Holy Spirit. We encourage learning through a safe, orderly, and caring environment where children feel they are capable, connected, and are contributors to the learning environment, community, and world. We seek to provide an atmosphere in the school that facilitates the growth of a faith that is simple, true, and unwavering.

Spiritual development of the student is the primary purpose of Catholic education. Academic excellence is pursued in the context of this development. In every subject area teachers incorporate knowledge and skills that will enable students to be good citizens and be of service to their school, parish, and the larger community. The goals of academic development are inseparable from the development of spiritually healthy students who become responsible young adults.

Our values are mirrored in the goals of our programs and in their implementation. We continually endeavor to re-evaluate and renew our commitment to our faith and to a rigorous educational experience for all children in our care. We accept the challenge to reflect the mandate given to us by the Church to teach and live the Word of God.

Our ongoing diversity, equity, and inclusion work therefore aims for every child and adult to be heard. These efforts are at the heart of our mission.

As a thriving, inclusive school community, we are proud of our ongoing commitment to equity and inclusion. We also acknowledge our need to continue our learning, to strengthen this commitment and our practices, every day. This statement therefore reflects not only who we are but also who we seek to become as a diverse, inclusive, and equitable school community. Please join us in this essential, shared work.

At RCPS we believe a diverse, inclusive, and equitable school community is critical for preparing students to participate in a complex, pluralistic, and interconnected society. We challenge ourselves to regularly evaluate and refine curricula, policies, and practices, and to commit the appropriate resources to ensure we embody these beliefs every day.

Guided by a commitment to recognize each child as a unique creation of God, we seek to engage all community members around our multiple identities: among them race, age, gender identity and expression, ethnicity, family composition, ability/disability, learning styles, religion, sexuality, and socio-economic status. By engaging in this exploration of identity, culture, and systems that advantage some and disadvantage others, RCPS aspires for all members of our community – students, parents, caregivers, faculty, staff, alumni, and Trustees – to develop a sense of belonging and for our children to bring about positive change in the world.

In support of diversity, inclusion, and equity at RCPS, all members of our community commit to:

- **Respect** all
- **Trust** each other to engage in difficult conversations
- **Share** our unique stories and listen to others'
- **Learn** from different perspectives and experiences
- **Examine** our biases and endeavor to overcome them
- **Foster** belonging, connectedness, and safety
- **Invest** in the personal growth of children and adults alike

Drop-off and Pick Up Procedure

Students should gather at the doors at the front of the building as they arrive in the morning (Preschool, PreK, and K bottom floor and 1st through 4th 2nd floor mezzanine). Children who have not been picked up by their parents or a pre-communicated pick-up adult, will be taken to Extended Care for supervision. School rules apply at all times.

Parents are expected to escort their children to the front doors of the building. Once the child enters the building for the school day, they will be the responsibility of the school. Parents are expected to drive slowly and park/back-up cautiously in the parking lot to avoid collision with any people. Parents are only allowed to park in designated parking spaces, not in front of the school (even if temporarily parking). This is dangerous for any youth crossing the parking lot and a hazard for any emergency vehicles that may be needed.

SUPERVISION OF STUDENTS

Students shall be supervised during the entire time they are on the school premises during the school day. For safety, it is recommended that children neither arrive earlier nor leave later than school hours on school days. Exceptions to this time include students coming to Extended Care. It is assumed that parents will make arrangements to pick-up their children at the appropriate time.

Application Process

NONDISCRIMINATION POLICY

Resurrection Catholic Parish School, mindful of its mission to be a witness to the love of Christ for all, does not discriminate by race, gender, color, national or ethnic origin, disability or religious persuasion in admitting students, although Catholic students are given an admission priority. Religious instruction and participation of all students in religious activities are required for all students enrolled in Catholic schools.

While the school does not discriminate against students with special needs, a full range of services may not be available to all students. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs. Our mission and ministry require that we always put the needs of the child first.

and on-time with payments. The school is providing an essential service to the family and relies on the tuition income to meet its operational expenses. If there is difficulty in meeting the commitment on time, please notify the school promptly.

All schools follow the following process:

January– Catholic schools open their application process for the upcoming school year and FACTS Grant and Aid application forms are available for parents/guardians to submit for financial aid. If families have applied to FACTS Grant and Aid by February 28, and the student attends the school during the upcoming school year, the FACTS application fee will be deducted from the student’s tuition.

ATTENDANCE

Release of Students

It is the responsibility of each parent/guardian to ensure that his/her child is picked up from school at the proper time. Parents or legal guardians are required to complete a dismissal form. This form specifically lists all persons authorized to pick up the child from school. The school reserves the right to require proper identification from anyone who is listed on this form coming to the school to pick up a student who is not personally known to the teacher or administrator (or her delegates) and to refuse release of the child without it. The school follows the guidelines set forth in the Buckley Amendment pertaining to the release of students.

Absence

Students are expected to arrive on time. Please notify the office if you expect to be tardy or plan to pick-up early. **When a student is absent from school, a parent must call the office by 10:00 AM each day of the absence.** If the office does not receive a call, a parent will be contacted. This policy is for the protection of the students and is aligned with the state statutes of the state of Oregon.

Illness

Students should be fever free for 24 hours before returning to school. Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

Picking up Child Early

Only the parent or guardian may request, in writing, special permission from the principal regarding the early dismissal of his/her child for valid reasons. Requests to release a student early from school are given in advance to the school office. A special slip for dismissal is then filled out by the office personnel and parent/guardian before the child leaves the school.

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office.

Vacations

There are regularly scheduled vacations and holidays in the school calendar, which is based on mandated days by the State of Oregon and the Archdiocese of Portland. Please check these ahead of time and plan accordingly. The school will not approve vacations taken outside of the scheduled times; these decisions are the responsibility of the parents. Prolonged absence can and does affect students' growth and development. The school cannot be responsible for the results of these absences. Although classroom teachers may be willing to provide additional work for a child while on vacation, they are not required to do so. It is the responsibility of the parent to ensure growth and development continues. **Excessive absence (40) days or the equivalent of 40 days including tardies**, can be cause for a student to be retained in the current grade for another year.

Absences due to COVID-19

If a student tests positive for Covid-19 or is deemed by the local health department to be a close contact of an individual who has tested positive, the school will follow the most up-to-date CDC Guidelines for student and faculty attendance. Students who are not Covid-19 positive and/or symptomatic, but just a close contact will be expected to be in attendance for virtual instruction. In addition, students will be expected to complete all work and assessments.

A student who is absent due to a positive Covid-19 test or named as a close contact, will be marked absent and coded as C19 to denote the reason for absence.

***Policies regarding Covid-19 and its variants continue to evolve just as the virus. Check email and other communication from the school for the most up-to-date information.**

Leaving School Grounds

No student will leave the school grounds during the school day unless accompanied by a parent who signs them out in the office.

Emergency Cards

The school office & teachers will maintain an emergency card for each enrolled student. **This information must be filled out by parents in the family portal on FACTS.**

The card shall contain the following information:

- Student's name
- Name and address of parents or guardians
- Phone numbers where they may be reached during school day

- Name and phone number of a third party who may be contacted in the event the parents or guardians cannot be reached
- Name of medical insurance provider and policy number
- All pertinent medical/allergy information

NON-TRADITIONAL FAMILY POLICY

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to comply with custody arrangements that have not been made known to us in writing. In cases where custody/visitation are shared by both parents, RCPS maintains a neutral position. RCPS will not be placed in the middle of family disputes. Parents must ensure the school's ability to maintain this unbiased position as a condition for the continued enrollment of the child. Upon parental request, RCPS will make every effort to communicate with both custodial and non-custodial parents.

Curriculum

Our curriculum is focused on educating the whole child. Each student receives the personal and individual attention needed to ensure their success. Our students are taught the tools needed to become change makers

within our classrooms, school, families and in their communities. Justice and Respect are grounded in our faith foundation, our Catholic social teachings are integrated throughout our curriculum.

To view specifics on curriculum, please reference our website at www.ResurrectionCatholicPrimary.com.

Preschool Creative Curriculum

We recognize the importance of children interacting with one another in a rich environment. Our teaching and curriculum is guided by standards that have been developed by experts in the field of early childhood education and development. This learning includes:

Literacy - as a source of enjoyment, vocabulary and language, phonological awareness, knowledge of print, letters and words, comprehension, and books and other texts.

Mathematics - numbers and operations, geometry and spatial sense, measurement, patterns and data analysis.

Science - the physical properties of objects and materials, characteristics of living things, and Earth's environment.

Social Studies - people and how they live, change related to people and places, and simple geography.

The Arts - visual arts, music, dance and movement, and drama.

Religion

Resurrection Catholic Parish School is a Catholic school. All students attending RCPS are expected to attend and participate in all religious services. The academic environment serves as an extension and integration of the strong Catholic heritage offered to our students. The school works hand-in-hand with parents in conveying the teachings and traditions of the Catholic faith.

COMMUNITY PRAYER

Our school and parish communities join in prayer for those in need. Please submit the names of those in need of prayers to the school office so that we can include them whenever possible in our Mass petitions and in our United in Prayer information to our families.

RELIGION RESOURCES

Our Catholic faith is central to all that we do. In the spirit of St. John Baptist, our students remember and proclaim throughout the day that they are in the holy presence of God. Each grade has formal religion class in addition to 1-2 visits per week to the atrium.

CATECHESIS OF THE GOOD SHEPHERD

The Catechesis of the Good Shepherd was born from the joy of the children in their encounter with God and lives in being nourished by this joy. It has also been observed that children of the same developmental stage even though belonging to different cultural backgrounds, respond to certain elements of the Christian message in the same way. The Catechesis of the Good Shepherd divests itself of any strictly scholastic character, so as to become an experience of life, an education in faith, and a celebration of the encounter with the Father, in listening to Jesus, the one Teacher, and in obedience to the Holy Spirit.

An interpersonal relationship is always a mystery, all the more so when that relationship is between God and the child. We believe that there is a deep bond between God and the child which produces in the child the desire to draw nearer to God. The catechist's role is to prepare the environment and to give selected presentations from scripture and liturgy that "call forth" the child's response rather than "pours in" information. The catechist listens

with the child and together they ask, “God, who are you? How do you love us?” The adult reflects with the child on the questions generated by the presentations with the materials offered to the child to aid the child’s reflection. The atrium (or prepared environment) is one of the important elements that help the relationship between God and the child to flourish. After a theme has been presented, the child is free to choose an activity that will make possible the inner dialogue with the “Interior Teacher.”

SCHOOL MASS

As a school community, it is important to join together to praise God through the celebration of the Holy Sacrifice of the Mass. We are blessed with the availability of Fr. Bill, who is able to celebrate the Mass with our primary school community at least twice a month. Parents are encouraged to join us for these community celebrations. Mass will be held every 2nd and 4th Wednesday at noon for students K-3. Our preschool classes will visit the church for Worship Wednesday twice a month.

STEWARDSHIP

We know from the Bible that everything we have is a gift from God. We are stewards—managers of the many gifts God has given to us. As Christian stewards, we recognize that all that we are—all that we have—belongs to God, and we are accountable to Him for the use of all things. Therefore, we must live and give as Christians, generously sharing our God-given gifts of time, talent and treasure. As a ministry of Resurrection Catholic Parish, the mission of Resurrection Catholic Parish School includes giving back to God through our focus on community service, volunteerism, working hand-in-hand with our parish, and in any other way in which we can share the gifts God has given to us.

Conferences

Formal parent/teacher conferences are held each November for all parents. The conference affords a time of mutual communication regarding the progress and growth of the child, as well as goal setting. Optional spring conferences are held in April. Additional conference time may be called for at the request of the parent or teacher.

Field Trips

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. Field trips are re-evaluated each year to determine the compatibility of the field trip with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
9. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.

10. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
11. All monies collected for the field trip are **non-refundable**.
12. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
13. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Resurrection risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip.
14. Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip.
15. All chaperones must be 25 years of age or older.

COMMUNICATION

Confidentiality

Confidentiality plays a vital role in promoting respect for every individual and fostering a strong community. RCPS takes confidentiality very seriously and makes every effort to protect each family’s privacy. Communications among staff and parents about children should be kept confidential at all times. RCPS recommends that conversations about a child, behavior, or incident should be conducted in private, away from the child and other members of the RCPS community. Discussions in the hallways should be kept to a minimum. If a parent has a question or concern, we suggest that this parent first contact the teacher via email or in person to arrange a time to discuss.

Complaint/Grievance Procedure

Concern for the dignity and rights of each person are intrinsic to the Church’s mission as a true witness to the spirit of the Gospel. Circumstances may give rise to conflicts among students, parents and school staff. All parties are encouraged to use every available means to resolve these conflicts when they occur using the following process:

1. The person bringing the complaint is encouraged to try to resolve the complaint by discussing it with the persons directly involved.
2. If resolution is not achieved, the complaint should be discussed with the principal.
3. If the principal is unable to resolve the conflict, the principal will bring the pastor into the process as appropriate.
4. After reviewing the facts and facilitating discussion of the problem the principal will respond to the person bringing the complaint.

School-Wide (Non-emergency) Information

The RCPS office communicates with parents in a number of ways:

- Email
- Telephone
- RCPS website
- Weekly newsletter

- Back-to-School Night
- Notices sent home in children’s backpacks
- Conferences

CLASSROOM INFORMATION

RCPS teachers communicate with parents in a number of ways:

- Teachers use the application “Bloomz” to communicate with families weekly.
- Teachers post charts, pictures and projects outside of their classrooms to give parents a view into the classroom.
- Weekly lesson plans are posted in the classroom.
- Please be sure to check the contents of your child’s file and backpack each day so that you can find important notes, art projects, and so forth.

CHILD-SPECIFIC INFORMATION

During arrival and dismissal times, staff members must devote full attention to all of the children. Please keep conversations brief. If you need to communicate specific information, a written note or email is preferred.

Parent-teacher conferences are held two times per school year (fall and spring). The fall conference is an informal meeting for parents and teachers to have an opportunity to discuss the child. For the spring conferences, the teacher will prepare an evaluation for the purpose of sharing observations and documenting the development of each child. At the conference, teachers and parents will discuss the evaluation and your child’s developmental progress.

If, at any time, you have special concerns, please feel free to contact your child’s teacher – use email, send a note, or call the office to leave a message. During school hours, teachers cannot accept phone calls. If you have a message for a teacher during school hours, please call or email the office, and we will relay the message. The teacher will respond as soon as possible.

- If you wish to talk to the teacher at length, you can email the teacher and, if needed, arrange a time to meet in person or over the phone.
- Please do not discuss problems or concerns in the presence of your child or other parents.
- Please communicate with the teacher about any changes at home or within the family (i.e., parent on a trip, family member in the hospital, sick grandparent). These changes can affect your child’s behavior, and it is useful for staff to be aware of these developments. RCPS will always respect your privacy.
- If your child is going to be out of school for any reason, please let the office know. For illnesses, this is especially important so that we can inform families of any communicable disease symptoms while maintaining confidentiality. In addition, teachers and children miss a child when they are absent, so they would like to know that the child is okay.

HEALTH & SAFETY

The promotion of health for each student at Resurrection Catholic Parish School is the basis of the school’s health program. Individual health records are kept on file and monitored.

Emergency Medical Authorization

In order to handle emergency situations, the school must know how to reach parents quickly. For this reason, every parent must fill out an Emergency Medical Form each year as required by law. Please inform the school of any changes needed on the form throughout the school year. This is completed through your FACTS family portal.

Immunizations

Resurrection Catholic Parish School requires proof of immunizations of students prior to enrollment be submitted via your FACTS family portal.

Required immunizations for every student in Preschool 3 and 4 are:

- 3 doses of DPT vaccine or TD2.
- 3 doses of Polio vaccine
- 3 doses of Influenza
- 1 dose of Pneumococcal conjugate vaccine
- 1 dose of MMR
- 1 dose of Varicella (chicken pox)
- 1 dose of Hepatitis A

Required immunizations for every student in Kindergarten through 3rd grade are:

- 4 doses of DPT vaccine or TD9.
- 4 doses of polio vaccine, final dose must be administered after the fourth birthday.
- 2 MMR's
- 3 doses of Hepatitis B
- 2 doses of Varicella (chicken pox) or history of the disease
- 2 doses of Hepatitis A
- 3 doses of Influenza
- 1 dose of Pneumococcal conjugate vaccine

The necessary proof of immunization form is available from the student's personal physician. No student will be allowed to attend classes after September 30th, until such time as his/her updated health form has been turned in to the school office.

Parents are to notify the school office immediately if a child contracts a communicable disease.

Medication Policy & Forms

A Medication Administration form is available in the school office.

Administration of medication during school hours, on school property or while attending school events, must be medically necessary. Students may not receive or take any medication unless a Medication Authorization Form is completed and signed by the parent/guardian and, for prescription medications and over the counter medications, by a health care professional (physician, nurse practitioner, physician assistant or dentist) who is licensed to practice in Oregon. The following conditions will apply:

1. A new Medication Authorization Form is required at the beginning of each new school year or at any time there are changes in the medication or its administration, including its discontinuation.
2. A separate Medication Authorization Form must be completed for each different medication.
3. The parent/guardian may complete the health-care provider section for non-prescription medication.

4. A physician's order and specific parental consent are necessary for self-carry/self-administration of emergency medications such as inhalers or *Epipens*. A notice signed by the school principal authorizing a student to self-carry/self-administer medication will be kept by the student at all times on school property, during the school day.
5. Medication must be delivered to the school by the parent/guardian, or in special circumstances, by another responsible adult approved by the parent/guardian. Such approval shall be in writing and submitted to the school in advance of delivery.
6. All medications provided to the school must be in the original container and labeled by the pharmacist with the student's name, name of medication, dose, frequency, method or route of administration and any special instructions, including but not limited to adverse effects that may reasonably be expected and contraindications to administering the medication. Non-prescription medication must be in the original container with the manufacturer's label intact and clearly labeled with the student's name. The parent/guardian assumes full responsibility for maintaining a current supply and the appropriate transportation of medication.
7. Medication delivered to the school will be recorded by student name, medication name, date of delivery, quantity delivered and expiration date. Medication will be stored in a secure location accessible on an as-needed basis. The principal or principal's designee will reconcile the supply of all medication with the administration logs no later than the third school day of each month. Under no circumstances are students allowed to have any kind of medication in their possession except for inhalers that have been registered in the school office.
8. Staff members who assist in the administration of medication will maintain a log of such administration. Medication logs will be signed by the staff member.
9. The first day's dosage of any medication must be administered at home before it will be administered by school personnel.
10. The school principal will designate a member of the school staff to administer the medication. Staff members will be trained to verify that the administration is consistent with instructions on the authorization form and medication container at the time of each administration.
11. The parent/guardian will be notified if students fail to report for or refuse to accept administration of medication that has been authorized by the parent and, if required, the health care professional.
12. Medication prescribed on an "as-needed" basis will not be administered by school personnel without, in addition to the Medication Authorization Form, a statement of permission signed and dated by the parent/guardian and specifying the requested day(s) of administration.
13. Unused medication will be destroyed if not claimed by the parent/guardian within five working days of the end of the school year, the expiration date of the medication or the discontinuation of the medication, whichever is earlier.
14. Failure to register medication will lead to a presumption that such medications are not lawfully in the possession of the student.
15. The parent/guardian must agree to release Resurrection Catholic Primary Parish & School from any and all liability, claims and actions that may arise from injury or harm to his/her child provided school staff are following the health care provider's order as submitted on the Medication Authorization Form. The parent/guardian must further agree to indemnify and hold harmless Resurrection Catholic Parish & School from any claim arising from any wrongful act or negligent conduct by his/her child related to the possession or administration of medication.

Allergy Policy

Resurrection recognizes that an allergy is an important condition affecting many school children and positively welcomes all pupils with allergies.

This school encourages children with allergies to achieve their potential in all aspects of school life by having a clear policy that is understood by school staff and pupils. Teachers and new staff are also made aware of the policy. All staff who come into contact with children with allergies are provided with training on allergies. Training is updated as needed.

ASTHMA/ALLERGY MEDICATION

Immediate access to reliever inhalers and Epi-Pens® is vital. Parents are asked to ensure that the school is provided with a labeled spare reliever inhaler/Epi-Pen®. All inhalers/Epi-Pens® must be labeled with the child's name. It is the responsibility of the parent/guardian to make sure that all medications are unexpired.

The school does all that it can to ensure the school environment is favorable to children with asthma or allergies. As much as possible, the school does not use chemicals in science and art lessons that are potential triggers for children with asthma or allergies. Holy Cross School makes no claim to be an allergen or peanut-free school.

Illness During the School Day

The parent or guardian will be notified when a student becomes ill during the school day. The secretary and the parent or guardian will determine whether the child should be dismissed to go home. Students who are seriously ill or who constitute a danger of spreading illness to others will be expected to be picked up by the parent or guardian. Siblings will also have to be picked up. Students should not return to school without a doctor's note or a Covid test. If you have a positive test for Covid you must quarantine for 14 days and free of symptoms for 3 days. We will follow the CDC guidelines in this matter.

Medical Emergencies/Accidents/Injuries

Accidents reported on school property shall be reported immediately to the principal or pastor. A report shall be written describing the accident and follow up care. The Diocesan accident report form shall be used. A copy of the report shall be kept permanently in the school. If professional medical services are required, a copy of the report shall be sent to the Catholic Schools Office and the Diocesan Risk Manager.

AMBULANCE

If a student suffers a medical emergency precipitating the need for a 911 call to be made, the parent/guardian will be responsible for any/all expenses involved. The parent/guardian will also be called immediately so that proper directives can be given by the parent/guardian to the emergency personnel.

CHILD PROTECTIVE INVESTIGATIONS

Oregon law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Oregon's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Oregon law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

ABUSE REPORTING

As caregivers and advocates of minor children, all teachers and staff members are required by law to report suspected child abuse, whether it is physical, emotional, sexual, or neglect. No staff member or employee of Resurrection Catholic Primary School can be held liable for making such reports. Indeed, any staff member who becomes aware and does not report, may be liable for serious penalties, as silence contributes to the crime. RCPS will follow the procedures and support any follow-up actions required by authorities. Parents need to be aware that names of any reporters, should they be known, may not be given out and any incurred investigations may not be discussed except with the release of the investigating authority.

CODE OF CONDUCT

Code of Christian Conduct Covering Parents, Guardians and Other Responsible Adults

The Archdiocese deeply appreciates the choice parents and students make to enroll in its parochial elementary schools and secondary schools. Truly, this is a commitment for life and many families make considerable sacrifices of time and treasure to support their students while they are in school. Often families and students continue this support even after graduation because Catholic education makes a difference. Indeed, Catholic schools are different.

All schools in the Archdiocese are intended to be environments that educate, nurture and support students according to the basic Christian principles of charity and love of neighbor. Everyone involved in the development of children and youth – teachers, administrators, parents, family and friends – is required to behave in accordance with these principles.

Our Christian principles provide that:

- Parents or guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the school's academic, moral and behavioral expectations.
- Students and parents or guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive.
- Parents, guardians or other responsible adults who insult or abuse school personnel in the presence of other school personnel, students or parents on or adjacent to school premises or at some other place where school personnel are required to be in connection with their assigned school activities, may be asked to withdraw their student from the school.

In addition, parents/guardians may be requested to remove their child from the school for ANY of the following reasons:

- Refusal to cooperate with school personnel; or
- Refusal to adhere to Diocesan or local policies and regulations; or
- Interference in matters of school administration or discipline.
- Misconduct at any school function including sporting events.

In all cases, reasonable effort to elicit the minimum requisite parental/guardian cooperation shall be made and documented. The principal must verify that parents/guardians were informed to terminate the inappropriate behavior and to cooperate with the school and the consequence for failure to do so. If such effort does not correct the situation, then after consultation with the priest, the principal may require the parents/guardians to withdraw the child.

Code of Christian Conduct Covering Students

At Resurrection Catholic Parish School, we utilize a Multi-Tiered System of Support framework to create a positive learning environment for all students that is equitable, inclusive and focused on the whole child. The goal of our behavior program is to promote responsible decision making, respect for self and others, respect for property and pride in appropriate behavior. One of our primary responsibilities as a school is to promote a safe, productive learning environment, and it is our belief that communication and teamwork between the home and the school are important in promoting good citizenship and a secure school.

In MTSS, integrated instruction and intervention is delivered to students in varying intensities (multiple tiers) based on student need. "Need-driven" decision-making seeks to ensure that school resources reach the appropriate students at the appropriate levels to accelerate the performance of ALL students to achieve and/or exceed proficiency.

Universal Interventions (Tier 1) are what *all* students get in the form of behavioral/social-emotional instruction and student supports. Tier 1 focuses on the implementation of the standards and is aligned with the Oregon Social Emotional Learning Standards.

Social Emotional Learning is the process through which children develop awareness and management of their emotions, set and achieve important personal and academic goals, use social awareness and interpersonal skills to establish and maintain positive relationships, and demonstrate decision making and responsible behaviors to achieve school and life success. There is a strong research base indicating that these SEL competencies improve students' social/emotional development, readiness to learn, classroom behavior, and academic performance.

Second Step (<http://www.secondstep.org>) is our core SEL curriculum and Tier 1 behavior curriculum that has been developed by the Committee for Children, a Seattle nonprofit that develops research-based SEL, bullying prevention, and child abuse prevention curricula and training for children from early learning through grade 8 and the adults who surround them.

Second Step teaches skills in the following four areas:

1. Skills for Learning: Students gain skills to help themselves learn, including how to focus their attention, listen carefully, use self-talk to stay on task, and be assertive when asking for help with school work.
2. Empathy: Students learn to identify and understand their own and others' feelings. Students also learn how to take another's perspective and how to show compassion.
3. Emotional Management: Students learn specific skills for calming down when experiencing strong feelings, such as anxiety or anger.
4. Problem Solving: Students learn a process for solving problems with others in a positive way.

Each lesson takes 20-40 minutes weekly with daily 5-10 minute boosters. The kits include a weekly home and school connection that will promote transference of skills between environments for children.

Secondary Interventions (Tier 2) are what *some* students receive *in addition to Tier 1 instruction*. The purpose of Tier 2 instruction and supports is to improve student performance under Tier 1 performance expectations. Tier 2 services are more concentrated (more time, narrower focus of instruction/intervention) than Tier 1. Tier 2 interventions are targeted interventions for small groups of students and can be provided by a variety of professionals in any setting (classroom, separate settings, home setting).

Tertiary Interventions (Tier 3) are what *few* students receive. Tier 3 is the most intense service level a school can provide to a student. Typically, Tier 3 services are provided to very small groups and/or individual students. The purpose of Tier 3 services is to help students overcome significant behaviors that are interfering with a student's ability to access their education. Tier 3 services require more time and a more narrow focus of instruction/

intervention than Tier 2 services. Tier 3 services require effective levels of collaboration and coordination among the staff (general and specialized) providing services to the student.

Occasionally, a student may behave in a manner that is counterproductive to a healthy, positive learning environment focused on teaching and learning. In each of these incidents, there is a unique opportunity for a child to learn communication and problem solving skills that are appropriate to their level of development. Some problem-solving skills that support behavior change include:

- To truthfully describe the problem in a clear and concise way
- To be able to view the problem from a personal and broader perspective
- To have empathy and compassion when appropriate
- Respect the personal space of others.
- To access and use strategies for problem resolution
- To access and use strategies to calm down prior to responding
- To make a decision to seek adult assistance when appropriate
- To be responsible and accountable for one's role in the problem
- To cease future behavior that caused or exacerbated the problem.
- Accept consequences as appropriate.

Every child is unique and every situation is unique. The principal and teachers at RCPS will work collaboratively with families to support each child in social emotional growth and development. If we are not able to provide accommodations that meet the needs of the child, a family may be asked to find another school.

Parental Responsibility

As partners in the educational process at Resurrection Catholic Parish School, we ask parents:

- To actively participate in school activities such as Parent-Teacher Conferences
- To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student
- To notify the school with a written note when the student has been absent or tardy
- To notify the school office of any changes of address or important phone numbers
- To meet all financial obligations to the school
- To inform the school of any special situation regarding the student's well-being, safety, and health
- To complete and return to school any requested information promptly
- To read school notes and newsletters and to show interest in the student's total education
- To support the religious and educational goals of the school
- To support and cooperate with the discipline policy of the school
- To treat teachers with respect and courtesy in discussing student problems

To set rules, times, and limits so that your child:

- Gets to bed early on school nights
- Arrives at school on time and is picked up on time at the end of the day
- Is dressed according to the school dress code
- Completes assignments on time
- Has a nutritional snack and lunch every day

Parent's Role In Education

We, at Resurrection Catholic Parish School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally,

spiritually, emotionally, and psychologically. Your choice of Resurrection Catholic Parish School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Resurrection Catholic Parish School, we trust you will be loyal to this commitment. During these formative years, your child needs constant support from both parents and teachers in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential.

It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Talking negatively about a child's teacher at home will only create an attitude of distrust toward the teacher, the school, and the parent.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

Parent-Teacher Organization

The Parent Organization of Resurrection Catholic Parish School seeks to build a sense of Christian community by fostering positive relations among parents and with school personnel, providing a forum for parents to express their feelings and opinions, assisting in the operation of the school as needed through volunteer activities.

Visiting the School

All visitors are expected to ring the doorbell of the school entrance. Any unknown visitors must submit valid reason for visit and identification and be admitted by a school employee only. For parents/volunteers visiting, you will be expected to ring the doorbell at the school entrance and be admitted by a school employee only. Visitors will then be escorted to the school office to sign-in and receive a volunteer badge that must be worn at all times during their school visit. Any adult visitors are prohibited from using the student restrooms during school operating hours.

Volunteers

Resurrection Catholic Parish School relies on volunteers and eagerly welcomes parents and guardians inside to help with various tasks throughout the year. Younger siblings are not allowed to accompany parent volunteers for meetings or classroom volunteer roles. Volunteer opportunities are communicated on an as-needed basis directly from classroom teachers or from the school administration through the weekly e-newsletter.

We have strong safety protocols in place to ensure the protection of our students. Resurrection Catholic School and Parish, along with every other school and church within the Archdiocese of Portland, follows requirements for child protection training. These requirements are set forth by the Archdiocese to ensure that our volunteers and staff are trained and cleared to work in schools, and that our schools and churches remain safe for our kids.

For new volunteers to Resurrection Catholic Parish School as of July 1st, 2022, mandatory training is required and must be completed in person as well as a background check. Please complete the form on our website

(www.ResurrectionCatholicPrimary.com) and a representative of our parish will contact you with the necessary steps for a background check and possible dates for the in-person training.

Service Hours

Tuition, although a large investment in your child's education, does not cover the full cost of educating our students. Volunteers are essential to the support of the school and to moderate operating costs. Fundraising and community involvement are important and integral aspects for the continued existence of Resurrection and help build genuine community. The following information is intended to ensure that families are aware of the expectations of their participation in the life of our school.

Like most diocesan schools across the nation, each family is required to complete **10 hours of verified service** to Resurrection Catholic Parish School and related activities over the course of the school year. This is a reduction in hours due to current limitations. Service hours may be "bought out" at the rate of \$100 per hour. Please make all checks payable to RCPS.

Any family that has not completed their 10 hours prior to May 31, will be emailed a detailed report of all unserved hours as well as an invoice. Payment for unserved hours will be collected through Facts "Incidental Billing" by June 10th if hours remain unserved.

Volunteer hours include purchasing items for parties, school events, wish lists & gift cards for the school/classrooms. 1 hour = \$100.00

Service hours are tracked exclusively online through FACTS on your family portal. If you choose to buy items, mark the amount spent.

GENERAL POLICIES

Money and Valuables

Resurrection Catholic Parish School is not responsible for money or valuable items that children bring to school.

If parents send money to school with their child it should be placed in a sealed envelope that is marked with the child's name, the amount of money enclosed, and the purpose of the money. Students are to give the envelope to their teacher upon arriving at school.

Electronics and Phones

Phones, Apple Watches/phone watches, toys and electronics from home should not be brought to school. They are not permitted to be in use during school hours and will be removed from student if found.

Nut-Containing Products

Due to the increase of various allergies to nut-containing food products, the school does not distribute foods containing nut products. Through the use of reasonable means to better accommodate allergies to nut products, we ask faculty, staff, students and parents to abstain from bringing in any items containing nuts. This includes peanut-butter sandwiches.

Gum

Students should not chew gum at school or at any time that they are on school/parish property. This includes before school, during school, and after school. Disciplinary action will occur for students who are chewing gum during the course of the school day or during morning or afternoon care.

Audio and Video Recording

Students and/or Parents/Guardians may not record another student, parent, or teacher without the express written permission of the individual being recorded. Signed consent forms will be retained in the office for a period of 3 years. Failure to comply with this policy may result in the student/family being involuntarily separated from the school.

FACEBOOK®, INSTAGRAM®, TWITTER®, TIKTOK® AND OTHER SOCIAL MEDIA POSTINGS OF STUDENT PHOTOGRAPHS

RCPS works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. RCPS adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at RCPS are forbidden from posting photographs taken at school sponsored events that include the images of students other than their own on their personal Facebook®, Instagram®, Twitter®, TikTok® or any social media page. Such postings are a violation of the school's adherence to FERPA and the Child Protection Act. The students of parents who post such photos may be separated from RCPS.

Parties

Classroom parties are under the direction of the classroom teacher.

INVITATIONS TO PARTIES

Invitations to parties are not allowed to be distributed anytime at school. Because invitations can become an exclusion issue with students and cause hurt feelings and distraction in class, students must mail them from home. There are also legal implications to the distribution of invitations to private events on school grounds.

Recess

All students in Pre-3's & Pre-4's receive a 30 minute recess. Students in grades K-4 receive a 20-minute morning and 20-minute afternoon recess. Students are expected to follow posted recess and playground rules and the recess monitor.

Safety Drills

Drills are conducted regularly as a safety measure and as required by law. Protective measures and techniques are taught and practiced in each classroom. Resurrection Catholic Parish School's Safety Plan is available for review by contacting the school office.

Playground

Families are welcome to use the playground when school and aftercare are not in session, but **not during school hours**. Each child must be directly supervised by a responsible parent/guardian. All playground rules apply at all times:

- No throwing barkdust or sand
- Clean up all garbage & put away materials
- No climbing up the slides
- No climbing the fences

School staff are in no way responsible for students outside of school hours.

School Uniforms

Resurrection Catholic Parish School students are required to wear well-maintained school uniforms at all times. The wearing of a uniform is an integral part of Catholic School tradition. Students in uniform are less pressured at school by clothing trends and peer comparisons and it greatly aids in concentration on schoolwork. Student attire must promote human dignity, cleanliness, and good health.

Uniforms are sold through Dennis Uniform Company. Any questions regarding the uniform policy should be directed to the school administration.

GENERAL UNIFORM EXPECTATIONS FOR 2022-2023

- Khaki skirts, shorts & pants
- White, navy or light blue polos
- All sweatshirts and fleece must have our logo
- Girls - navy tights/navy leggings for preschool & preK

All of your child's belongings should be labeled in permanent ink with his/her full name. This includes coats, jackets, sweaters, shoes, uniforms, lunch boxes, backpacks and anything else that is brought to school.

Extenuating circumstances which prevent a student from wearing the school uniform must be explained in writing by the parent and verified by an administrator before the student reports to class. Any students dressed inappropriately will be asked to call their parent/guardian to bring proper attire for school. The administration reserves the right to send home any student who does not comply with uniform regulations.

School Property

EMERGENCY PROCEDURES

Weather and Other Emergencies

Resurrection Catholic Parish School has preparation procedures for the teachers and students at school, for extreme weather and for other safety emergencies.

In general, RCPS follows whatever directives are given for the West Linn - Wilsonville public schools. Therefore, please do the following:

- Listen to the TV news, radio stations, or Internet sites;
- Follow the directives given for the West Linn - Wilsonville schools; Resurrection Catholic Parish School will do the same unless you hear otherwise.
- DO NOT call the school for school information; if the public schools are in session, Resurrection Catholic Parish School will be in session. If the recommendation is to evacuate or release the children, RCPS will also release the children. Phone lines need to be free for the school to contact you, if necessary.

- Resurrection Catholic Parish School will use all available means of communication to notify all parents of any current directives that may arise. This includes Bloomz, email, phone calls and website postings.

In the event of extreme weather, **or any other emergency**, when school is already in session, the school will stay in contact with the media, weather authorities, **or any other mandated authorities, such as police**. Teachers will follow school procedures for safety. However, if family need requires it, parents may call the school and ask to pick up the children early. **If early dismissal is recommended for the entire school, procedures for phone/Bloomz/Email communication will be utilized, via the children's emergency cards.**

In the case of an emergency situation, in which we are advised to stay in our present locations, the school will do the following:

A “lock down” procedure: all access to the school will be secured, and children will remain with the teachers and staff until further notice by authorities.

When we are advised to dismiss students, parents will be notified. Please make sure the school has all necessary phone numbers and persons listed who have permission to pick up your children. It is imperative that you give updated phone numbers and caregivers as soon as a change becomes effective. Also, indicate another family who may take your child(ren) in the case that you are required to remain at your job or location. Students will then be released to parents and caregivers, as listed on your emergency cards and contact information.

If there would be a **situation that prevents the use of the telephone**, parents would come for the children as soon as it is possible and safe for them to do so. Again, children will remain at school, in as safe a manner as possible, until clearance is received to dismiss them and release them into parents’ care.

Other situations that require an extraordinary early dismissal (e.g. power outage, or another non-emergency situation) the school will use all means of communication. The regular school day dismissal procedures will take place.

Fire Drills

Fire drills shall be held at least once a month. The first fire drill will be conducted within the first twenty school days. Teachers will take a student roll sheet or book containing all student names with them during the drills in order to have an accurate account of all students present.

The building fire alarm shall be operated during the drill to familiarize all occupants with the distinctive sound of the fire alarm. All staff members shall be instructed on the alarm system and the manner of activating it. A record of all fire drills shall be kept on the emergency drill form and shall be available to the fire inspectors upon request.

Earthquake Drills

Earthquake drills will be conducted at least twice each school year. A record of all earthquake drills shall be kept on the emergency drill form.

OSHA Regulations

Catholic schools shall comply with the OSHA standards on blood-borne pathogens and hazard communication and any other standards issued which apply to the school. The schools shall also comply with the Diocesan procedures established to comply with these standards.

Weapons/Dangerous Instruments

Student possession of any weapon or dangerous instrument that could be used as a weapon on school property or at school related functions is prohibited. The possession of a weapon or weapons will be reported to the proper law enforcement agencies.
